# About NBREA

The New Brunswick Real Estate Association (NBREA) is a provincial association of REALTORS® working together to strengthen and promote standards of professionalism and protect public interests. The Association was incorporated in 1958 and today represents more than 1500 salespeople and manager members throughout the province.

# 2026 NBREA CONFERENCE + AGM

Every year, the NBREA Conference and AGM gathers more than 400 REALTORS® for education, networking, and a tradeshow. **In 2026, the event is scheduled to take place on April 21 and 22, 2026.**

Last year, we filled this event to maximum capacity. **For 2026, the event is being held in the same venue as 2025 to ensure that NBREA can accommodate the same number of participants and level of standard.**

This is the must-attend event for the New Brunswick real estate industry, and we invite you to join us as a sponsor for a unique opportunity to promote your business or service.
